Windermere HOMES & LIFESTYLES Magazine Available In Print And Online

Out of area buyers now have access to the Windermere magazine electronically

RANCHO MIRAGE, CA – April 1, 2009 – The Spring edition of the Windermere HOMES & LIFESTYLES magazine is now available in print, and online at www.ISSUU.com.

“The online edition of our popular magazine allows us to reach out-of-area buyers planning to visit or move to the area, before they arrive,” says Windermere Coachella Valley co-owner Bob Deville.

Each complimentary issue of the quarterly magazine typically features hundreds of homes for sale in the Coachella Valley, including Bermuda Dunes, Cathedral City, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs, Rancho Mirage and surrounding areas.

Now in its sixth year, the print version of the Windermere magazine is available in our offices throughout the western US, at the Palm Springs International Airport and in restaurants, hotels and car washes throughout the valley.

Deville believes that “Using the latest, cutting-edge technology to market homes doesn’t replace the traditional way of doing business, it just offers a more convenient and alternative way for many consumers to buy or sell a home. And anything we can do to give buyers and sellers the tools they want is worth the investment.”

Windermere Real Estate is the leading residential real estate network in the West with more than 385 offices and 8,000 associates serving neighborhoods in Arizona, California, Hawaii, Idaho, Montana, Nevada, Oregon, Utah, Washington and British Columbia. Windermere has 12 offices and over 600 agents throughout the Coachella Valley.
